PRESIDENT STUDENT BODY

As President of the Student Council I wish to express my gratitude and appreciation to the Student Body, Faculty and School Board for their sincere cooperation in joining with us to make our school a leader of leaders. And it is my sincere desire that others may receive the inspiration and fellowship that was afforded me in my brief but happy days in Palmyra High School.

The student council is composed of ten members. Each class in school is represented by two members and the president is a senior elected by the entire student body. The vice president is elected in like manner from the Junior Class.

The Student Council is organized for the purpose of having a form of student government. Working together with other members of the administrative groups they help decide the policies of the school.

Class History

September 2, 1947 — Seventy-eight Freshmen entered the portals of Palmyra High for the first time. During the ensuing four years 21 members have left our ranks for marriage, the armed forces or jobs but we added eight more members to our group.

Beginning our freshman year we participated in all of the usual school events, freshman initiation and parties and then our sophomore year we had our change for retaliation.

These two years passed and we had our share of honor. Then our Junior year we began to accomplish bigger and better things. In the fall we gave our Junior Play, "Faith, Hope and Flarity" and breathed a real sigh of relief as the final curtain fell. In the spring we entertained the seniors with an "Evening at the Circus" Prom. Music for dancing was furnished by Carl Landrum's Orchestra. It was a gala evening with every one looking their best in white shirts and beautiful formals.

On Sept. 11, sixty-five seniors started their final year in Palmyra High. We were the largest Senior class in the history of Palmyra High.

We elected as our officers—Oney Shade, President; Jane Yarborough, vice-president; Marjorie Million, secretary; Catherine Bode, treasurer; and Teresa Shade as our reporter. Our sponsors are Joe Dull and Margaret Maize.

The Seachlight was our biggest task of the year and as soon as classes were organized we elected Edna Barber as our Editor in Chief. The book was financed by sales, advertising and various money making activities. Of course we are all looking forward to Baccalaureate and Commencement.

Our class has been prominent in leadership, loyalty, and school spirit and have proven themselves in every way to be fit and fine citizens of the community.

We leave our school with many fine memories and many fine friends. We want to take this space to wish the classes that follow our steps all the success and happiness possible.

Class Prophecy

LOSES CHILDREN

Poor Mrs. Norman Harrison, formerly Jeanie Begley had to part with her 10 children. They are being put in an orphanage, because she is unable to support them. Her husband deserted her last week. If anyone would like to adopt one, see Miss Wanda Kinsey, head nurse at the orphanage.

DIVORCEE

Mrs. Orville Mahsmann, has taken her maiden name, Eleanor Schade, since her recent divorce from Mr. Mahsmann. Miss Shade sued Mr. Mahsmann for divorce on the charges of cruelty of dumb animals.

INHERITS MILLIONS

Miss Margie Million inherited 10 million dollars from a late aunt. When asked what she would do with it, she replied that she would be so old when Jack Peacocke, her fiance gets out of college, that he'll be too old to work, so she will build them a home to live in in their later years.

WINS CAR

Jack McLeod won a new car on a radio quiz program. This will really come in handy since he wrecked his Crosley last week.

OLD SCHOOLMATE SEEN IN TAVERN

If anyone wants to see their old schoolmate Bob Powell they won't have to look very far, for it seems he's always in the same place—— Buckmans. Bob just can't stay away. Even when his wife, Geraldine Powell goes in and drags him out, he's back within an hour. It looks like he would get out and work a little if not for himself, but for his wife and fourteen little ones.

OUTSTANDING SCIENTIST

Mr. Robert Bross has been chosen as the outstanding scientist of the year. He has made many inventions and discoveries and deserves great medals. His partner, Lyndel Gillespie, is also well known in the field of science. They received honors at a dinner given for them in the Astoria Hotel last night. Warren Buckwalter the chief chef served the meal.

LEAVING FOR HAWAII

Miss Catherine Bode, a famous social worker is leaving for Hawaii on a vacation. She will spend a three months vacation there resting. She reports that she has been working too hard and needs rest. We hope she has a nice trip and will soon be back on the job.

"Gone With The Girls" is the story of "The Capp Family" and their trials, troubles, eccentricities and fun, yes plenty of fun. What a family! It's really a composite picture of several families, perhaps an incident or two from your. It's asking almost too much to insist on anyone believing that all that happens to the Capp Family could happen to any one family.

Class History

Fifty-six sophomores entered Palmyra this year on Nov. 11, 1950 in comparison with the sixty-one freshmen last year. In our freshman year we were initiated and had the usual round of parties. We had the honor of having Mable Claus elected Carnival Queen. One of our projects in our freshmen year was to send a box of clothing to a school girl in Pennurbia Arabia, Philippines.

In our sophomore year, at our first class meeting, we elected the following officers:

President	Duane Schwada
Vice-President	Robert Bier
Secretary	Carolyn Becker
Treasurer	Margie Gottman
	Spencer Woodall
Student Council	Edna Knueppel
Sponsors	Mrs. Ellis
	Mr. Hulen

We initiated the freshmen on September 29, 1950 in the usual way and on Nov. 11, we entertained them with a party in the gymnasium.

Carolyn Shade and Edna Kneuppel, escorted by Spencer Woodall and Jimmy Wood, were our sophomore attendants for the football queen.

Wanda Williams was escorted by Albert Bockhold as sophomore attendant to the barnwarming queen.

As far as possible the sophomore class has taken part in and supported all school activities and have hopes of doing even bigger and better things later in the year.

Class History

On September 11, 1950 a group of twenty-four boys and twenty-seven girls entered the portals of Palmyra High School. Upon their faces were expressions of joy, hope, anticipation, and wonderment. Two boys have been added since then and three have chosen to cast their lot elsewhere.

When class meetings were called they chose as their sponsors Mrs. Edith Schuckenbrock and Mr. Floyd Hager. The class officers elected for the year were:

President ——— Marita Meyers

Vice President ——— Martha Jane Faxon

Secretary ——— Irene Hoerr

Treasurer ——— Ronnie Meyers

Reporter ——— Jackie Kimberly

Student Council ——— Norma Jean Donelson

The class is proud of their activities thus far. They have enjoyed a skating party at the Rolla Arena and the party given in their honor by the sophomores. The group played an important part in the Football Homecoming. Our float won third place.

Marita Meyers and Norma Jean Donelson were the freshman football attendants.

Irene Hoerr was the freshman attendant for Barnwarming Queen.

We are happy to know that we have won a reputation of being a very cooperative class. To keep that reputation throughout our high school career is a worthy aim.

This season Palmyra was leading the parade in football by winning seven games out of eight played and tying the eighth. The only game to our discredit was the game sponsored by the Kiwanis; played between the winner of the NEMO conference, Moberly, and the winner of the Quint City Conference, Palmyra.

Starting out with boom Palmyra journeyed to La Plata and won by an overwhelming victory of 38 to 0. At the end of the first quarter the score was 26 to 0. In this game both Losson and Cates scored two touchdowns apiece and R. Wood and Drebes scored one apiece. Shade and Bross scoring extra points.

A score of 7 to 0 was an ever-battling game played with Shelbina on our field. In the fourth quarter Palmyra got close to the goal and at the 2½ yard line Shade carried it over. The extra point was made by a pass from Losson to Buckwalter.

The third game of the season was another victory for the Panthers. In the first four minutes of the game Shade made a touchdown from the 2 yard line.. Shade also carried the ball over for the extra point. And again in the second quarter Shade went over from the 9 yard line, and Feaster made the extra point. Then Losson scored, bringing the score at the end of the first half up to 20 to 0. In the last half, Centralia came back and scored two touchdowns, and Palmyra also raised their score to 32 by scoring two more touchdowns made by R. Wood and J. Losson.

Next we spoiled Macon's Homecoming by a 14 to 6 victory. The game was scoreless until the third quarter when Macon scored one on a short pass. Palmyra came back to score their first touchdown from the 33-yard line by Shade. Palmyra lost possession of the ball on the 8-yard line and Macon failed to make the necessary yardage, and was caught behind the goal for a safety giving Palmyra an 8 to 6 lead. Again the Panthers scored with Feaster carrying the ball for a 66-yard run, ending the game with a score of 14 to 6.

The Panthers edged a victory over Louisiana Bulldogs by a victory of 6 to 0, and spoiled another Homecoming. The touchdown was made by Shade carrying the ball from the 3-yard line.

The next game was the "Mighty Panthers" Homecoming, which was played with McCooey Shamrocks. We defeated McCooey 12 to 0 for the first place title of the Quint City Conference. In the first quarter Shade scored from the 10-yard line. Then in the second quarter Feaster scored from the 7-yard line.

Palmyra 33, Hamilton 0, was the score of an outbreak of the Panthers. Early in the first quarter Bross scored twice with a 62-yard run and a 27-yard run. Shade carried over for the extra point. A 20-yard pass from Losson to Cates gave the Panthers another touchdown, with Feaster carrying over for an extra point. R. Woods ran 10 yards for a touchdown, and Losson went over for the extra point. Feaster made the last touchdown in the game with a 40-yard run.

Our last scheduled game of the season was with S. Peters of Jefferson City. Early in the first quarter St. Peters scored after blocking a Palmyra kick, and led 7 to 0. Palmyra came back to score in the second quarter with Losson carrying over from the 2-yard line, and Shade went over for the extra point, tying the score 7 to 7, which it remained until the third quarter. Just after the half St. Peters marched 80 yards for another touchdown and later scored again from an intercepted pass. With only five minutes remaining in the game, Losson scored again and Shade made the extra point good. Two plays later Losson faked an end run and threw a 27-yard pass to Shade, tying the score 20 to 20. Due to interference by spectators Palmyra was called back and the second time failed to make the extra point.

Palmyra Kiwanis Club sponsored a Flower Bowl game that was played at Palmyra between the winner of the NEMO Conference which was Moberly and the Quint City Conference which was Palmyra. The game was played in near zero weather in a two-inch snow that had fallen the night before. Moberly won the game 20 to 6, with Shade making the only touchdown for Palmyra. This was a night everyone will remember, for even the spectators almost froze, and we know it was a great sacrifice for our boys to continue to play in such weather, and we would like to tip our hats to them for doing it.

We started the season with little practice, because of the Flower Bowl Game, but a lot of spirit. We got off to a good start beating Shelbina and Lewistown. In the Monroe City Tournament we lost a good game to Shelbyville, who went on to tie for first. We lost the Consolation Championship in a close game to Madison after we beat Holy Rosary. In our own tournament we ruled over Phil-Emerson, but lost a good game to Edina who went on to take the tourmanent. We used set shots till they came out to get us then we broke into their middle. On defense we used a very effective zone.

On February 14 we went to La Plata to play in their tournament. We stayed the week losing to Ewing the first night, then winning two games Friday, one from Huntsville and one from Hurdland. Saturday afternoon we romped Shelbina to win the Consolation Trophy.

In the sub-regional we beat Revere the first game and lost to La Grange in the second, putting us out of the tournament.

The 1950-51 basketball season started out with 33 girls going out and about 10 being dropped after several days.

We started the season out very successfully under the good leaderhip of Mr. Morse.

We entered the Monroe City Tournament on December 5, 1950. We lost our first game to Holy Rosary but went on to beat LaGrange and Lewistown to win Consolation.

Then the supreme event of the year, "The Palmyra Tournament." We won over Ilasco and Edina, but lost to LaPlata by a very close score. We won our last game from Center taking third place in the tournament.

It was a wonderful experience for the girls to play in the LaPlata Tournament from February 13 to 17. We won our first game over Novelty, but lost to Memphis the second. We had a very pleasant time during our stay there, even if the weather was bad.

The graduating players would like to wish "The Best of Luck" to the players of the coming year and also to thank our coach, Mr. Morse, for his loyalty in helping us through a successful basketball season.

PICTURE OF WINNERS

The Highlights of the season was the Palmyra Tournament, in which sixteen boys' and fourteen girls' teams participated. The winners of tropies in the girls division were:

La Plata	First	Palmyra	Third
Monroe City	Second	Lewistown	Cons.

The winners in the boys' division were

Edina	First	La Grange	Third
Ewing	Second	Center	Cons.

The Palmyra Tournament offered great competition and excitement for its spectators, and the warmest consideration for its participants that was possible. We hope everyone enjoyed it to the fullest extent, and sincerely wish it may grow better in every way in the years to come.

Second Row: Eddie Gross, George Eichman, Coach Dull, Harold Boyer, Donald Wehemeyer, Walter Drebes.

Third Row: Bud Roland, Billy Johnson, Jack McLeod, Ben Bridgman, Warren Buckwalter, John Hutcherson.

We are very proud of our white sweater team as it is the first team since 1940 to gain this honor. The boys worked and played hard for these sweaters and it gives us great satisfaction to see them receive such great honor. We hope that in the years to come the boys of Palmyra High will work as co-operatively and strive as hard to win as the boys of 1950-51.

The Chapter took part in the Junior show at the fall festival and there were thirty-four girls that entered articles and won a total of $534.60.

The Palmyra girls were hostess for the sub-district F. H. A. meeting this year and planned a day to be remembered a long time for the girls from the visiting schools.

This year the club had a bake sale and sold Christmas cards, and ran the lunch stand at the Tournament as money-making projects. We also ran the stand at the Thanksgiving Bowl game and served the Homecoming Football banquet for football boys and alumni. The biggest responsibility of the year was the Tournament and we found when the smoke had cleared away that we had made about $500.

The annual Formal dance was held during the Christmas holidays and amidst holiday decorations everyone danced to the music of the Blue Notes.

Plans have been made for the annual Mother-Daughter, Father-Son banquet to be held in March.

The F. H. A. had the largest enrollment so far in the history of the Palmyra Chapter. In September the enrollment for the year of 1950-51, was 85. Of this number twenty-eight were new members. These were initiated at the September meeting to which all of the mothers were invited. Preceding the initiation a covered dish supper was held. At this meeting, two more club mothers were selected to help Mrs. Shade. They were Mrs. Leo Bross and Mrs. Roy Courtright. The same night the new officers were installed by the out-going officers.

Hulen directed the band through an hour concert. The proceeds were to be used for the welfare of the band. The Band Mothers are sincerely appreciated by the band and its director.

The band played a concert at the Fall Festival and were on the spot with a clever marching act at every football game.

Th band attended the Northeast Missouri band festival held at Hannibal Senior High school in October.

The basketball games were pepped up a bit by the snappy marches and popular pieces played by the band and the annual tournament would not have been complete without the effort and co-operation of each band member.

The band attended the annual Quint-City Band Festival and also the Northeast district festival at Kirksville.

SUMMARY

With the organization of a club as the first order of business, the Library staff started the 1950-51 season with enthusiasm.

Working with the efficiency of a well-trained football team, we began the re-classification of the books. It was necessary to close the library for four days before Christmas vacation to get the fiction books in order.

Although we have had only our party, a slum party, we are planning several more this year.

We are sponsoring book reviews to be given by townspeople and for the benefit of any student who is interested in reading.

Mr. G. W. Cummings and Mr. Bob Lemons donated books from their own personal libraries, and the school bought several new books for the library.
